The screenshot shows the SecurHome Admin interface. At the top, there's a navigation bar with the SecurHome logo, a user profile icon labeled 'Admin', and tabs for 'ALARMS', 'USERS', and 'MESSAGES'. Below the navigation bar, the 'Alarms History' section is active, displaying a table with 8 rows of alarm data. The table has columns for #, Home ID, User Name, Error, Error Code, and Status. The first three rows show 'Alarms' status, and the last three rows show 'Solved' status. A pagination bar at the bottom indicates 8 items, with the first page (1) selected.
